Town of Wellesley – Volunteer Form

Wellesley's town government relies heavily on volunteers—those who are recruited, those who are recommended, and those who offer their own services. The appointment of members to these and other special committees is the responsibility of the Town Moderator and various elected boards.

The League of Women Voters of Wellesley, in cooperation with the Board of Selectmen, the Town Moderator and the Town Clerk's office, is distributing this form to help those making appointments identify individuals who are qualified and willing to serve. Prospective volunteers are encouraged to submit a resume if one is available. *Please note that submission of this form does not ensure appointment to any position.*
